

## THE INTEGRATION PROGRAM

Emerald Secondary College is an inclusive school that welcomes and supports students with special needs. All students will be valued and respected and treated with dignity and courtesy.

We recognise their rights and our responsibility for a student with a disability and will work with them and their families to make sure their educational, emotional and social needs are met.

Emerald Secondary College endeavours to assist all students to reach their potential so that they may embark on a future pathway that suits their abilities and plays to their strengths.

We have an intensive Transition Program that is offered to Grade 5 and 6 Integration students from our feeder Primary schools, this enables them to become familiar and comfortable with a Secondary setting. We also offer 'life skill' programs in money handling, travel training and cooking.
